

# REGIONAL COVID-19 PORTAL

June 12, 2020

## WEEKLY UPDATE

PPE supply in the Ontario Health  
West Region during COVID-19

### Weekly Call to Action

Provider locations outside of the West Region should submit PPE requests using the appropriate process for their area. Visit [HMMSCovid19.ca](https://HMMSCovid19.ca) for details.

### Primary Care Kits a Success

More than 2,300 primary care providers across the West Region have submitted orders for a PPE starter kit to support the re-opening of in-person services. If you or your care setting has not yet submitted for this allocation, you can use this [online order form](#).

### Shortage of Plastic Screens

As more health care providers and businesses begin to re-open for in-person services, there is becoming a shortage of plastic or plexiglass screens to put up in reception areas, etc. If you are in need, reach out to a local supplier as soon as possible to place an order.

# Positive Provider Feedback in Erie St. Clair

"This is an amazing support for all of us on the front lines who need supplies to support safety and well-being of both patients and staff. Your kindness, compassion and generosity is greatly appreciated."  
- Windsor Heart Institute

"Quick response and clear direction."

"This was extremely fast and an easy to access service. We were very impressed."

"Appreciate the prompt and efficient service."

"Continue with the rapid response and direction given to help the needs of our Residents and our Team Members."

Very prompt service in securing PPE for my office. Allowed me to see patients who needed urgent surgery.
